

A Flamingo Flocking Fundraiser

Sponsored by the Lakewood Band Boosters to raise funds for new marching band instruments.

IT'S TIME TO THINK PINK!

The Flamingo Flocking season is here. Granted, it's an ornithological rarity, but we have confirmed reports that large flocks of flamingos will soon be landing on the lawns of unsuspecting area residents sometime in the near future.

Our highly confidential sources tell us that these particularly tacky birds, (pinkus flamingous plasticus) tend to show up in the dark of night or when residents are off to work, accompanied by a couple of members of the Lakewood Band Boosters, who generally do their best to not laugh and guffaw too loudly as they surreptitiously plant flocks of pink flamingos on local lawns.

WARNING: YOUR YARD COULD BE IN THEIR FLIGHT PATH!

Fortunately, there are a variety of cures for a flamingo infestation.

Should you wake up one morning or come home from work to a sea of pink flamingos on your lawn, take heart! There will be instructions on how, for a small donation, the nice folks from the Lakewood Band Boosters will come remove the pesky critters.

Your lawn gets de-flamingoes and this worthy, local group gets some much needed funding to their New Instrument Fund.

GOT A FLAMINGO-PHOBIA?

No worries! By placing a quick call to 740-973-0597, you can purchase a Flamingo Flocking Insurance policy for just \$10. Once again, all monies will go to this outstanding local group and your home will be spared the embarrassment of blushing in various shades of pink!

DON'T GET MAD, GET EVEN!

Should you find a flamingo flock in your yard, you can "share the joy" by contacting the nice folks at Lakewood Band Boosters, making a small donation for flamingo removal and then you can send the flock packing.... TO ANYONE ELSE IN TOWN!

(And, before anyone asks the question, the answer is YES...while it may not be entirely ethical, we DO take BRIBES, in the form of the highest donation offered, to flock and re-flock anyone who hasn't already had the good sense to purchase a Flamingo Flocking Insurance Policy!)
